

**Yefimova I.V. Features of operational-search prevention of smuggling of objects of intellectual property rights.**

The article deals with the current problems and features of operational-search prevention of the smuggling of objects of intellectual property rights. It is noted that the improvement of the complex of state-legal measures for the prevention of customs crime in general and directly mentioned crimes requires appropriate decisions from the legislative branch aimed at reforming the customs authorities. Formation of such a customs policy that would meet international standards.

Provision of customs authorities with the right to carry out operational search activities, modern operational equipment, and the development of own safety of customs personnel from the influence of organized criminal formations. Establishment of the international cooperation of the customs bodies of the State fiscal service of Ukraine with the customs authorities of foreign countries in the field of prevention of specified crimes.

**Keywords:** *operational-search prevention, smuggling, objects of intellectual property rights, customs bodies, foreign economic activity.*
